there's a rumor goin' round
that it looks like splittsville between us
But all of that talk's just talk
so don't you believe it
cause I got a call from my baby and she was all, "guess
what"

We're makin' up
our on again off again is on again
we're makin' up
she really wants to make it work
I'm still so in love with her
forget about everything you heard
we're makin' up

Well, I'm the first to admit
that the road's been a little bit bumpy
But don't you think for a moment that she don't love me
take you nosey little nose and take a whiff of these
roses
on the seat of my truck

We're makin' up
our on again off again is on again
we're makin' up
she really wants to make it work
I'm still so in love with her
forget about everything you heard
we're makin' up

Yeah, we argue a little too much
maybe we broke up more than once
Ahh, but this is the part I love

We're makin' up
our on again off again is on again
we're makin' up
she really wants to make it work
I'm still so in love with her
forget about everything you heard
we're makin' up

we're makin' up
we're makin' up
our on again off again is on again
we're makin' up
we're makin up
