Well, I've done everything that I,
I know how to do.
You're so magnetizing that
I can't seem to hide
From the way you pull me in.
Well I can't push away
What I feel inside.
So why, why do I try?

Look into my eyes,
And tell me I, I'm alright with you.

Champagne and razorblades,
It's never cheap or safe.
Poison in lemonade,
It's bittersweet to taste.
It keeps me coming back,
It keeps me coming for more.
(For more, for more, for more.)

You play hard to get.
You're so careful, confident.
You pretend I'm not your type,
But I know that's a lie.

Look into my eyes,
And tell me I, I'm alright with you.

Champagne and razorblades,
It's never cheap or safe.
Poison in lemonade,
It's bittersweet to taste.
It keeps me coming back,
It keeps me coming for more.
(For more, for more, for more.)
Like diamonds and criminals,
Not right but beautiful,
Perfect and cynical,
Highly unusual.
It keeps me coming back,
It keeps me coming for more.
(For more, for more, for more.)

I'm dreaming that I'm wrapped up in you,
Believing that we're so in love.
It's magic, I don't wanna wake up
'Cause I can't get enough.

Champagne and razorblades,
It's never cheap or safe.
Poison in lemonade,
It's bittersweet to taste.
It keeps me coming back,
It keeps me coming for more.
(For more, for more, for more.)
Like diamonds and criminals,
Not right but beautiful,
Perfect and cynical,
Highly unusual.
It keeps me coming back,
It keeps me coming for more.
(For more, for more, for more.)
