Here comes the evil man  
Pray for their lives, you'll end  
Smashing [Incomprehensible] he throws  
[Incomprehensible]

Like I'm losing with my wings in orbit  
Try my best to make the moment awesome  
If you remember not to tread with caution  
I'll make your body speak in full distortion

I can't sleep at night, I fear death's warning  
I keep afloat by holding tide so cautious  
Somebody dragged me here, I'm trapped with wild  
horses  
And now I'm losing and my heart is nauseous

Don't dance, don't dance, don't dance, don't dance  
Don't dance, don't dance, don't dance, don't dance  
Don't dance, don't dance, don't dance, don't dance  
Don't dance, don't dance, don't dance, don't dance  
You can't win

Where there's freedom, there's freedom, is this  
freedom?  
(Don't dance, don't dance, don't dance, don't dance)  
Where there's freedom, there's freedom, is this  
freedom?  
(Don't dance, don't dance, don't dance, don't dance)

Where there's freedom, there's freedom, is this  
freedom?  
(Don't dance, don't dance, don't dance, don't dance)  
Where there's freedom, there's freedom, is this  
freedom?

Papa's left, papa's left, papa's gone away from here  
What is left in it's place? Only our aching feet  
You can see, you can see, is there an exit here?  
I believe, I believe we're gonna leave this  
[Incomprehensible]

Don't dance, don't dance, don't dance, don't dance

Don't dance, don't dance, don't dance, don't dance  
Don't dance, don't dance, don't dance, don't dance  
Don't dance, don't dance, don't dance, don't dance  
You can't dance
