We were together since we were five  
She was so pretty  
Emma was a star in everyone's eyes  
And when she said she'd be a movie queen, nobody  
laughed  
A face like an angel  
She could be anything  
Emmaline  
Emma, Emmaline  
I'm gonna write your name high on that silver screen  
Emmaline  
Emma, Emmaline  
I'm gonna make you the biggest star this world has  
ever seen

At seventeen we were wed  
I'd work day and night to earn our daily bread  
And every day Emma would go out searching for that  
play that never, ever came her way  
You know sometimes she'd come home so depressed,  
I'd hear her crying in the back room, feel so distressed  
And I'd remember back when she was five to the words  
that used to make Emmaline come alive  
It was, "Emmaline  
Emma, Emmaline  
I'm gonna write your name high on that silver screen  
Emmaline  
Emma, Emmaline  
I'm gonna make you the biggest star this world has  
ever seen"

It was a cold and dark December night when I opened  
up the bedroom door to find her lying still and cold  
upon the bed  
A love letter lying on the bedroom floor  
It read, "Darling I love you but I just can't keep on living  
on dreams no more  
(Darling I love you) I tried so very hard not to leave you  
alone (That's right)  
I just can't keep on trying no more"  
Emmaline

Aaargh, Emmaline
