I believe in miracles
Where're you from,
you sexy thing, you
sexy thang you
I believe in miracles
since u came along,
you sexy thing

Where did you come from, baby
How did you know, I needed you
How dod you know I needed you so badly
How did you know I'd give my heart gladly
Yesterday I was one of the lonely people
Now your lying close to me,
making love to me
I believe in miracles
Where're you from,
you sexy thing,
sexy thing you
I believe in miracles
Since you came along,
you sexy thing

Where did you come from, angel
How did you know I'd be the one
Did you know your everything i prayed for?
Did you know every night and day for
Everyday, you'd give love satisfaction
Now your lying next to me, giving it to me

I believe in miracles
Where're you from?
you sexy thing,
sexy thing you
I believe in miracles
since u came along
sexy thing

Kiss me, you sexy thing
Touch me baby, you sexy thing
I love the way you touch my darling,

you sexy thing
Its ecastacy

yesterday i was one of the lonely people
Now your lying close to me giving it to me

I believe in miracles
Where're you from?
you sexy thing,
sexy thing you
I believe in miracles
Since you came along,
you sexy thing

Touch me, Kiss me darling,
i love the way you love me baby
Its ecastacy, its ecstasy,
sexy thing,
I love the way you kiss me darling
Love the way you hold me,
keep on loving me darling
Keep on loving me baby
