Tonight let's forgive and forget  
Darling  
Come closer let me hold yo  
In my eyes can't you see how I love you  
I never wanted to hurt you.  
Say the things that I said  
Don't look at me now  
Like it's all over  
Girl.

I'm sony  
Sorry

Come closer to me now

Let's love the tears away

Things that I say.  
Shouldn't hurt you  
That way.  
I'm sorry  
Sorry

Darling  
Let me hold you

Never let you go.  
Girl  
You should know  
That words can't come  
Between you and me.  
Tonight lets start it all over  
Let's talk it over  
And put it right. I know how much I've hurt you

But  
Baby  
You're foolish to think it's over

Nothing can stop me saying forever.  
I'm sorry

Sorry  
Come closer to me now  
...  
I'm sorry  
Sorry  
Come closer to me now  
...  
Sorry  
Baby  
I'm sorry  
Sorry.
