Heaven's in the back seat of my cadillac -  
Let me take you there  
yeah yeah.  
Heaven's in the back seat of my cadillac -  
Let me take you there  
yeah yeah.

Can't stand it  
can't stand it

let's get outta here.

makin' love with you

Makin' love  
makin' love with you  
Is such a wonderful thing with me and moonlight.

Heaven's in the back seat of my cadillac  
- . . .

Let's do it  
let's do it Baby

Let's go for a ride out in the countryside.  
There are people ev'rywhere  
people who like to stare

Can't take it Baby  
let's get outta here.

Makin' love  
makin' love with you
