Hot Chocolate - Heaven's in the back seat of my
cadillac

Heaven's in the back seat of my cadillac -
Let me take you there
yeah yeah.
Heaven's in the back seat of my cadillac -
Let me take you there
yeah yeah.

Can't stand it
can't stand it
Baby
When I'm close to you I wanna touch you
There are people ev'rywhere
people who like to stare

Can't take it Baby
let's get outta here.

Heaven's in the back seat of my cadillac
- . . .

Let's do it
let's do it Baby
Let's go for a ride out in the countryside.
Just me and you far from the city lights
That's much too bright for this kinda lovin'.

Heaven's in the back seat of my cadillac
- . . .

Makin' love
makin' love with you
Is such a beautiful thing to do.
Makin' love
makin' love with you
Is such a wonderful thing with me and moonlight.

Heaven's in the back seat of my cadillac
- . . .

Let's do it
let's do it Baby
Let's go for a ride out in the countryside.
There are people ev'rywhere
people who like to stare

Can't take it Baby
let's get outta here.

Makin' love
makin' love with you
