You got married in the mornin'
Suzy, don't worry
I'm hidin' your lies in
I'm diggin' 'New Day Rising'

Life is a maybe
Because you're such a baby
Life is a maybe

You're crazy, so lazy
You're feeding me spaces
I'm kneelin' 'coz you're feelin'
You keep your hands on the ceilin'

Life is a maybe
Because you're such a baby
Life is a maybe
Because you're such a baby
Life is a maybe

I'll never believe you
I can really see you
You're feedin' my thievin'
Oh baby, keep me singin'

Life is a maybe
Because you're such a baby
Life is a maybe
You're such a baby
Life is a maybe
