The evenin' light still pale  
I went out to the mail  
My movements like a snail

Apologies from a friend  
I'm spread out so thin  
It's time to start again

Ya, greetings from the walking wounded  
Did you just see what the moon did?  
Maybe my eyes are playin' tricks on me

Ya, went away but I'm not forgettin'  
Far enough from Armageddon  
Maybe, maybe only I can see

So what are you dyin' for?  
The place ain't there no more  
It's been gutted to the core

So take your tragedies  
And send them off to me  
With your apologies

Ya, greetings from the walking wounded  
Did you just see what the moon did?  
Maybe my eyes are playin' tricks on me

Ya, went away but I'm not forgettin'  
Far enough from Armageddon  
Maybe, maybe only I can see

Maybe it's somethin' only I can see  
Maybe only I can see  
Maybe it's somethin' only I can see  
Maybe only I can see  
Yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah  
Greetings from the walking wounded

Did you just see what the moon did?  
Maybe my eyes are playin' tricks on me

Ya, went away but I'm not forgettin'  
Far enough from Armageddon  
Maybe, maybe only I can see

Yeah, yeah, yeah  
Maybe only I can see  
Only I can see, yeah, ya  
Maybe only I can see  
Only I can see, yeah, ya  
Maybe only I can see
