It was a time so full  
And as rich as me and you  
In a case of deja vu  
I forgot that I knew you

Every day was like a grape  
And as rich as chocolate cake  
And I took all I could take  
And laid claim to what I could stake

(Ohh)  
Oh I loved you in your stripe  
(Ohh)  
Oh you look so good in stripes  
But they never stay the same  
They just change from day to day  
They never look the same  
They just change from day to day

And I'm truly scarred for life  
We glow like fireflies  
Lost in the lows of nights  
And forgetting family fights

And at night the starlight gleams  
(Ohh mm)  
This pillow's made for dreams  
(Ohh mm)  
You drift away it seems  
Into soft flannel dreams  
(Ohh)

(Ohh)  
Oh I loved you in your stripe  
(Ohh)  
Oh you look so good in stripe  
But they never look a same  
They just change for day to day  
They never look a same  
They just change for day to day

They all look the same

They all look the same  
Ohh  
(Loved you in your stripes, love)

(Ohh)  
Oh I loved you in your stripe  
(Ohh)  
Oh you look so good in stripe  
But they never look the same  
They just change for day to day  
But they never look the same  
They just change for day to day  
They never look the same  
They just change from day to day  
They never look the same  
Bring the change from day to day
