Good news  
Good news  
An angel brings Good news  
Good news  
Good news  
I meet you with Good news  
Close your eyes  
Fold your hands  
For a moment let your  
Sorrow fade  
Why, oh, why are you afraid  
Has this world  
Stripped you of your faith  
Close your eyes and on bended  
Knee  
Listen to an angel pray  
And once again prepare the  
Way  
So you'll see a gift that's given  
For you a time of  
Joy  
Behold a baby boy  
Bow your head  
Speak not a  
Word  
Let the silence take you far from here  
The spirit  
Disappear  
Bow your head and on bended knee  
Hear the  
Story once again  
The child grew up to wear a cross  
A  
Child grew up to pledge a life  
For us a time of joy  
Behold, Christ a baby boy  
For us is born this night  
In a  
Manger wrapped in swaddling clothes  
Christ the Savior,  
Christmas day

All our burdens washed away  
We break  
The bread  
We pour the wine  
And angels descend with a  
Heavenly sigh
