Five times out of a hundred
Tell me what my odds are
My heart isn't working

Five times out of a hundred
Tell me what my chance is
Romance is underrated

Five times out of a hundred
Tell me what my odds are
My heart isn't working

Five times out of a hundred
Tell me what my odds are

Hey, hey, hey
I don't wanna know
Say, say, say
I don't wanna go
stay, stay, stay
I don't wanna slow, slow, slow day

Guess who's the topic of conversation?

Five times out of a hundred
Gotta get a good shot
I'm not even aiming

Five times out of a hundred
Better let her make her move

Hey, hey, hey
I don't wanna know
Say, say, say
I don't wanna go
stay, stay, stay
I don't wanna slow, slow, slow day

Guess who's the topic of conversation?

I wanna turn the bathtub on and watch this house
drown from the lawn

I wanna turn the bathtub on and watch this house
drown from the lawn
Turn this energy on
I wanna turn the bathtub on and watch this house
drown from the lawn
I wanna turn this energy on

Five times out of a hundred
Tell me what my odds are
My heart isn't working

Five times out of a hundred
Tell me what my chance is
Romance is underrated

Five times out of a hundred
Tell me what my odds are
My heart isn't working

Five times out of a hundred
Tell me what my odds are

Hey, hey, hey
I don't wanna know
Say, say, say
I don't wanna go
stay, stay, stay
I don't wanna slow, slow, slow day
