Wash your dirty mouth  
Your dirty mouth  
Watch your little mouth  
Wash your dirty mouth  
Your dirty mouth  
Watch your little mouth

I don't wanna wait anymore

Wake up cinnamon  
They can't get in and that's them at the door,  
'Cause checkout time is noon and pretty soon it's a  
quarter to four

I don't wanna wait anymore

Wash your dirty mouth  
Your dirty mouth  
Watch your little mouth  
Wash your dirty mouth 'cause you taste like you're  
already gone

Small town girls and boys make too much noise so I  
keep to myself  
But acting tough is rough - enough is enough - I feel  
like hell  
Tied up in London, you came undone with a two  
handed tug  
With pieces of a phone, thrown at the door, spread out  
on the rug

I don't wanna wait anymore

Wash your dirty mouth  
Your dirty mouth  
Watch your little mouth  
Wash your dirty mouth 'cause you taste like you're  
already gone  
Wash your dirty mouth  
Your dirty mouth  
Watch your little mouth  
Wash your dirty mouth 'cause you taste like you're

already gone

I gotta say I cannot wait  
Not even one more night or day  
Why don't you fly and get away  
And end this awful holiday  
Come and play, come and stay, and end this awful  
holiday  
I gotta say I cannot wait  
Not even one more night or day  
Why don't you fly and get away and end this awful  
holiday

Wash your dirty mouth  
Your dirty mouth  
Watch your little mouth  
Wash your dirty mouth 'cause you taste like you're  
already gone  
Wash your dirty mouth  
Your dirty mouth  
Watch your little mouth  
Wash your dirty mouth 'cause you taste like you're  
already gone
