They all warned me to stay out
Stolen, stupid, scarred, and proud
Don't try to warn me, dont try to warn me, dont try to
warn me
I said, I make my own mistakes, dont care how long it
takes
i make my own mistakes, again

but all i know is all ive got is

Frustration, Frustration
I hate this vacation
So give up (give up)
Give up (give up)
I've got to get away from here
Its killing me just thinking 'bout
Frustration, Frustration
I hate this vacation
So give up (give up)
Give up (give up)
I've got to get away from here
Its killing me just thinking 'bout it

They all warned me all warned me of heart cramp
cut your losses, while this turn (?)
dont try to warn me, dont try to warn me, dont try to
warn me
i said, i make my own mistakes, you dont know what
shes like, i make my own mistakes, again

but all i know is all ive got is

Frustration, Frustration
I hate this vacation
So give up (give up)
Give up (give up)
I've got to get away from here
Its killing me just thinking 'bout
Frustration, Frustration
I hate this vacation
So give up (give up)
Give up (give up)

I've got to get away from here
Its killing me just thinking 'bout it

They all warned me, to stay out
Stolen, stupid, scarred, and proud
dont try to warn me, dont try to warn me, dont try to
warn me, dont try to warn me, dont try to warn, me

I've got

Frustration, Frustration
I hate this vacation
So give up (give up)
Give up (give up)
I've got to get away from here
Its killing me just thinking 'bout
Frustration, Frustration
I hate this vacation
So give up (give up)
Give up (give up)
I've got to get away from here
I've got to get away from here
Its killing me just thinking about this
