Where did it all go wrong?  
From the age of 15 on, I was honest - honest, I was

Half of my brain still knows  
That someone has opened doors  
That half of me still won't close  
Well I want to know

Whoa oh oh oh  
Oh oh oh oh  
I never want  
I never wanted anyone  
I never want  
I never wanted anybody

Where did it all get torn apart?  
Got a shotgun by my side  
You can make her laugh but you can't make her cry

Waving goodbye to innocence  
Am I that obvious to read?  
Am I in love with my best friend?  
Well I want to know

Whoa oh oh oh  
Oh oh oh oh  
I never want  
I never wanted anyone  
I never want  
I never wanted anybody

Whoa oh oh oh  
Oh oh oh oh  
I never want  
I never wanted anyone  
I never want  
I never wanted anybody

Woah oh oh oh  
Oh oh oh oh  
I never want

I never wanted anyone  
I never want  
I never wanted anybody

Woah oh oh oh  
Oh oh oh oh  
I never want  
I never wanted anyone  
I never want  
I never wanted anybody
