Oh no, she's not a secret now.  
But, nobody cares.  
Oh no, she's not a secret now  
The wolves have smelled her scent.  
Oh no, she's not a secret now  
But, nobody cares  
Oh no, She's not a secret now....

Some of us wouldn't be lying  
if we said were trying too hard.  
But, it all works out in the end.  
Some of us would be trying too hard to begin lying.  
But... but, it seems to all work out in the end.

Oh no, she's not a secret now.  
But, nobody cares.  
Oh no, she's not a secret now  
The wolves have smelled her scent.  
Oh no, she's not a secret now

Nobody likes a child who complains  
and I won't be that child anymore  
Nobody likes a child who complains  
and I won't be that child anymore

Some of us wouldn't be lying  
if we said were trying too hard.  
But, it all works out in the end.  
Some of us would be trying too hard to begin lying.  
But... but, it seems to all work out in the end.

Oh no, she's not a secret now.  
But, nobody cares.  
Oh no, she's not a secret now  
The wolves have smelled her scent.  
Oh Nooo....

Nobody likes a child who complains  
and I won't be that child anymore  
Nobody likes a child who complains  
and I won't be that child anymore
