You are my only girl,
but you're not my owner girl.
You are my only girl,
but you're not my owner

You are my only girl,
but you're not my owner girl.
You are my only girl,
but you're not my owner

Talk to me... dance with me here in the spotlight, girl.
Talk to me... dance with me here. You're the spotlight
girl.

So perfect you paint it... yet so manipulated.
So calm and so patient... yet oh so calculated.
So safe and comforting... this doesn't feel like flirting.
So fun I'm distracted... forgot you keep track of it.

So perfect you paint it... yet so manipulated.
So calm and so patient... yet calculated.
So perfect you paint it... yet so manipulated.
So calm and so patient... yet calculated

Talk to me... dance with me here in the spotlight, girl.
Talk to me... dance with me here.

You are my only girl,
but you're not my owner girl.
You are my only girl,
but you're not my owner

You are my only girl,
but you're not my owner girl.
You are my only girl,
but you're not my owner

You are my only girl,
but you're not my owner girl.
You are my only girl,
but you're not my owner

You are my only girl,
but you're not my owner girl.
You are my only girl,

Talk to me... dance with me here in the spotlight, girl.
Talk to me... dance with me here. You're the spotlight
girl.

Talk to me... dance with me here you're the spotlight,
girl.
Talk to me... dance with me here.
