(Chorus)

Oh cuz you got the joy, you got the joy!

You got the joy, you got the joy!

Now move it!

You got the joy, you got the joy!

You got the joy, you got the joy!

Now move it!

That's right, here we go...

You know you don't stop shaking, your hot buns baking,
I'd give you my heart but my heart keeps breaking.

The dude keep kicking the dog he rode in. I wanna say
it but I can't stop choking.

This is my final shot! I won't blow your mind.

(Chorus)

Oh cuz you got the joy, you got the joy!

You got the joy, you got the joy!

So move it!

You got the joy, you got the joy!

You got the joy, you got the joy!

So move it!

You got the joy, you got the joy!

So move it!

You got the joy, you got the joy!

So move it!

You got the joy, you got the joy!

So move it!

You got the joy, you got the joy!

So move it!
