I've never seen so clearly  
Cause I was focused on all the wrong things  
And then [?] inside of me  
Cause I was drowning in this deep dark sea  
Of guilt and shame and self regret  
I thank the lord that I'm not dead yet  
I like to sing and whiskey,  
But my body is tired and I'm over it,

It's time for me to be  
The best that I can be  
Things won't stay the same  
'Cause I need to make this change  
I'm content and I'm finally letting go

My baby left me with a heartache,  
With empty hands and a feeling I can't shake.  
I'm such a [?] can't see the sinking ship,  
I shake and do [?] as I abandon it  
Wish all get up to the summer playing  
It lasted longer than I ever could have dreamed  
I prey to lord my soul to take,  
And beg forgiveness as I run towards the burning  
gates

It's time for me to be  
The best that I can be  
Things won't stay the same  
'Cause I need to make this change  
I'm content and I'm finally letting go

When I couldn't be  
What you wanted me to be  
Needed a change  
But couldn't find the words to say  
[?]  
If it was meant to be we'll have to wait and see
