I'm feeling so nostalgic
The power of the vitamins won't
Affect the blood flow
I'm staring out
The windows are fogged
I can't entertain you
No I can't entertain you
The power of the vitamins won't
The power of the vitamins won't

Sweetheart
Hold you so tight it would break my arms
Why can't you see?
You had the chance
You were meant for me

Sweetheart
Hold you so tight it would break my arms
Why can't you see?
Two fools in love
We were meant to be

They say that love is tragic
I could suck on your neck all night long
Respect the bond that
We've built and made so strong
I can't entertain you
No I can't entertain you
The power of the vitamins won't
The power of the vitamins won't

Sweetheart
Hold you so tight it would break my arms
Why can't you see?
You had the chance
You were meant for me

Sweetheart
Hold you so tight it would break my arms
Why can't you see?
Two fools in love
We were meant to be

Ball up and cry
Don't you feel like you could die?
Wash it away
Alcohol tonight...

Ball up and cry
Don't you feel like you could die?
Wash it away
Alcohol tonight...

Sweetheart
Hold you so tight it would break my arms
Why can't you see?
You had the chance
You were meant for me

Sweetheart
Hold you so tight it would break my arms
Why can't you see?
Two fools in love
We were meant to be...
