I can't distinguish
The messes I've made
The problems I'm missing
I know it's par for the course to set your problems aside
and just forget all about it.

I can't believe this
The chances we take
The friends that we made
and you know it takes a lot to just throw it all away
and just forget all about it.

Forget all about it.
Forget all about it.
Forget all about it.

What ya crying for, this time?
You cant take no more
So dry your crying eyes.
What ya crying for, this time?

I can't distinguish
