I will stand with my arms suspended
'til i hold you close.
Break down those walls between us
That speed bodes.
Just say what you want to make it heartfelt.
Was it selfish of me to keep you to myself?

Oh baby now

Stay right here with me.
She's U.S. Royalty.
She'll remain that way forever.
Stay right here with me.
She's U.S. Royalty.
She'll remain that way forever.

I will stand with my arms suspended
'til i hold you close.
Break down those walls between us
That speed bodes.
Just say what you want to make it heartfelt.
Was it selfish of me to keep you tol myself?

Oh baby now

Stay right here with me.
She's U.S. Royalty.
She'll remain that way forever.
Stay right here with me.
She's U.S. Royalty.
She'll remain that way forever.

You are the smoke in my lungs.
You are the chase in my tongue.
You are the calm before the storm.
You are the blood in my veins.
You are the scuff to my frame.
You are the flood before the rain.

Stay right here with me.
She's U.S. Royalty.
She'll remain that way forever.

Stay right here with me.
She's U.S. Royalty.
She'll remain that way forever.
Stay right here with me.
She's U.S. Royalty.
She'll remain that way forever.
