There ain't nobody who's calling my name

There ain't no hope for me
I feel the pain.
So don't hide yourself and say what you need

You're burning inside - so show her your heat.

Don't you believe that I'm on fire?
Don't you believe that I feel strong?
Don't you believe that I'm on fire?
Don't you believe you turn me on?

Illusion comes up to people who wait
But if you look 'round
it is not too late

And when you find your love heaven is near

Show you're burnin' inside and say without fear:

that I'm on fire? . . .
Don't you believe
Don't you believe that I'm on fire? . . .
Don't you believe that I'm on fire? . . .
