

## Hot Shot "Freaky Girl"

Visit "[Freaky Girl](#)" on MotoLyrics.com

High heels, gosh you look sexy, I'd steal a  
touch if you let me  
I'd m just dyin' to kick it with you girl  
Hey boo, show me you're ready, lips lookin'  
juicy like cherry  
I can almost taste your flavor girl

But it seems like you're the wrong type  
Don't you ever get upset, girl I'd like to  
see you sweat  
It just feels like you're too uptight  
Girl, you're too conservative and that ain't how  
I wanna live

I wanna freaky girl, somebody just like me  
Someone who understands just what a player needs  
Ain't with those perfect girls, that shit don't click with  
me  
A very naughty girl, that's what I need

Handcuffs can you get freaky? How far will you go to  
please me?  
Whips and chains, girl are you down with that?  
Strange places searchin' for pleasure, I want you to  
meet me wherever  
Wearin' just an overcoat and hat

Or was I right, you're the wrong type  
You don't ever get upset, I ain't never seen you  
sweat  
It just feels like you're too uptight  
Girl you're too conservative and that ain't how I wanna  
live

I wanna freaky girl, somebody just like me  
Someone who understands just what a player needs  
Ain't with those perfect girls, that shit don't click with  
me  
A very naughty girl, that's what I need

Want a girl fi love mi up, hug mi up, give it to me right  
Swing from me shower curtain and from mi light

Hot piece of lovin' carry me right through the night  
I can't take the pressure when you put pan mi

Well, me love it when you ride on me  
Really love it when you climb on me  
'Cause me know you now go hide from me  
Freaky girl, me hipe pan it

I wanna freaky girl, somebody just like me  
Someone who understands just what a player needs  
Ain't with those perfect girls, that shit don't click with  
me  
A very naughty girl, that's what I need
