This town wants a facelift  
'Cause there's nothing in this town  
Ground Zero for a 10 megaton drug test  
Here comes the fallout  
The rats did poorly  
The mice did well  
Now I'm shot full of holes  
In a room with a view of the dark cold night  
I'm breaking all the records for the show

It's a dead, dead, dead town

Just look at the cheap lots  
This just in:  
The search for bodies goes on and on  
It's a dead planet and I'm a dead man  
'Cause the 10th Planet is dead  
And lousy to the death with people like you  
More common than the common cold  
And the dark cold night
