

## Hot Snakes "Time To Escape"

A violent situation  
Someone else's fight  
Outside someone's screaming  
Now this just isn't right

[Chorus]  
Time, Time  
Time to escape  
Time, Time  
Time to escape  
Time, Time  
Time to escape  
Time, Time  
Time to escape

I walk into the room  
A man he shouts alone  
The leader of the kingdom  
Just sitting on his throne

[Chorus]  
Time, Time  
Time to escape  
Time, Time  
Time to escape  
Time, Time  
Time to escape  
Time, Time  
Time to escape  
ESCAPE
