Everybody get yourself
Preapproved
To be a stupid fucking jerkoff in somebody else's world
Now you gotta pull the plug and pay off your dues
And keep the talk to the minimum
You are privy to knock offs, knock offs
On the cheap
Knock offs, knock offs
In my sleep
Inside the US Mint
Cardboard and press kits

Hey don't I know
I done my time
Hey don't I know
What I done with mine
Can't mind a dollar
Can't mint a dime
Ain't making money
That isn't mine

Inside the US Mint
Inside the US Mint
Inside the US Mint
Inside the US Mint
