It's day break  
And you are asleep  
I can hear you breathe now  
your breath is deep  
But before I go  
i look at you one last time  
I can hear a heart beat  
Is it yours  
or is it mine?

I look at your lips  
I know how soft they can be  
Did they know what they wanted  
The times  
they kissed me?

and your hands  
I held in mine  
now there up-posed on a pillow  
will they ever miss me  
some time?

CHOURS:  
I'll remember you  
You will be there in my heart  
I'll remember you  
That is all that I can do  
But I'll remember

Your eyes  
They always make me  
shiver  
now they are closed  
they just sometimes twitch  
a little

And your body  
I can hold for an hour  
It sent me to hea-ven  
with it's speed and power

CHOURS: X2
