(Tara) I lived my life in shadow, never the sun on my face.

It didn't seem so sad though, I figured that was my place.

Now I'm bathed in light. Something just isn't right.

I'm under your spell.

How else could it be, anyone would notice me?

It's magic, I can tell.

How you set me free, brought me out so easily.

I saw a whole world enchanted, spirits and charms in the air,

and I always took for granted, I was the only one there.

But your power shone, brighter than any I've known.

I'm under your spell.

Nothing I can do, you just took my soul with you.

You worked your charm so well,

Finally I knew, everything I dreamed was true.

You made me believe.

The moon to the tide, I can feel you inside.

I'm under your spell.

Surging like the sea, drawn to you so helplessly.

I break with every swell,

Lost in ecstasy, spread beneath my Willow tree.

You make me complete.

You make me complete.

You make me complete.

You make me complete.
