(giles)I've got a theory  
That it's a demon  
A dancing demon  
No, something isn't right there.

(Willow)Iâ've got a theory  
Some kid is dreaming  
And we're all stuck inside  
His wacky Broadway nightmare

(Xander)Iâ've got a theory we should work this out  
(All) It's getting eerie  
What's this cheery  
Singing all about?

(Xander) It could be witches  
Some evil witches,  
Which is ridiculous  
'Cause witches,  
They were persecuted  
Wicca good  
And love the earth  
And women power,  
And Iâ'll be over here

(Anya) Iâ've got a theory  
It could be bunnies  
[crickets chirp]

(Tara) I've got a --

(Anya)("bunnies")  
bunnies aren't just cute as everybody supposes  
They got them hoppy legs and twitchy little noses  
And what's with all the carrots?  
What do they need such good eyesight for anyway?  
Bunnies, bunnies  
It must be bunnies

(Anya) Or maybe midgets?

(Willow) Iâ€™ve got a theory,  
We should work this fast  
(Giles &Will;) Because it clearly  
Could get serious  
Before it's passed

(Buffy) Iâ€™ve got a theory --  
(into "what cant we face")  
It doesn't matter  
What can't we face if we're together?  
What's in this place that we can't weather?  
Apocalypse; We've all been there  
The same old trips; Why should we care?

(All) What can't we do if we get in it?  
We'll work it through within a minute  
We have to try  
We'll pay the price  
It's do or die  
(Buffy) Hey, Iâ€™ve died twice  
(All) What can't we face  
(Giles Background) What can't we face?  
If we're together?  
What's in this place  
(Giles Background) We're together  
That we can't weather?  
There's nothing we can't face

(Anya) Except for bunnies...
