Winter years cold,  
and bitter.  
That chill us to the bone.  
I haven't seen the sun for weeks.  
Too long,  
too far from home.

Feels just like I'm sinking,  
and I claw for a solid friend.  
I'm pulled down by the undertoe.  
Never thought I could feel so low.

The row of darkness,  
I fell like,  
letting go.

Fallow the strength and,  
all of the courage.  
Come and lift me from this place.  
I know I can love you much better than this.

Better this way.  
I say.  
I haven't seen this place before.  
And everything was said as if,  
it was done before.

Just that the leaves stay,  
too long.  
And the same,  
old,  
sickness here.  
I'm pulled down by the undertoe.  
Never thought I could feel so low.

The row of darkness,  
I feel like,  
letting go.....

Fallow the strength,  
and,  
all of the courage.

Come and lift me...  
from this place.

I know I can love you much better than this.  
I pray I loved you much better than this.  
It's better this way.
