BUFFY

I touch the fire and it freezes me
I look into it and it's black
Why can't I feel?
My skin should crack and peel
I want the fire back

Now, through the smoke she calls to me
To make my way across the flame
To save the day or maybe melt away
I guess it's all the same

So, I will walk through the fire
Cause where else can I turn?
I will walk through the fire
And let it

SPIKE

The torch I bear is scorching me
Buffy's laughing I've no doubt
I hope she fries
I'm free if that bitch dies!
I better help her out.

SWEET

Cause she is drawn to the fire
Some people

SPIKE

She will

SPIKE, SWEET

Never learn
And she will walk through the fire
And let it

GILES

Will this do a thing to change her?
Am I leaving Dawn in danger?
Is my slayer too far gone to care?

XANDER

What if Buffy can't defeat it?

ANYA

Beady Eyes is right

We're needed!

... Or we could just sit around and glare

ANYA, XANDER, WILLOW, GILES, TARA

We'll see it through

It's what we're always here to do

So, we will walk through the fire...

BUFFY

So one by one, they turn from me

I guess my friends can't face the cold

TARA

What can't we face...

BUFFY

But why I froze, not one among them knows

TARA

... if we're together.

BUFFY

And never can be told.

ANYA

She came from the grave much graver.

SWEET

So one by one they come to me

The distant redness as their guide

SPIKE

First, I'll kill her, then I'll save her

TARA

Everything is turning out so dark

BUFFY

Going through the motions

SWEET

But what they find

Ain't what they had in mind

It's what they have inside

BUFFY

Walking through the part

SPIKE

No, I'll save her, then I'll kill her

WILLOW

I think this line is mostly filler

GILES

What's it going to take to strike a spark?

SWEET

She will come to me

BUFFY

These endless days are finally ending in a blaze

BUFFY, XANDER, WILLOW, ANYA, GILES, SPIKE, TARA

And we are caught in the fire

At the point of no return

So we will walk through the fire

And let it

Burn

Let it burn

Let it burn

Let it burn!

SWEET (spoken)

Show time (haha).
