Well, on this morning
Saw them coming across fields far away
Said I've been looking all night long
Come for you today

I looked up all around
[Incomprehensible] and I don't know
Lots of things I got to do
So I don't wanna go

Well, I don't wanna go
I don't wanna go
Lots of things I got to do
Living is much too slow

This time when the demon calls
Gonna look the other way
See the clock keeps moving
There's too much left to say

The moon is sinking slowly in
The raven's flying low
Lots of things I got to do
So I don't wanna go

Well, I don't wanna go
I don't wanna go
Lots of things I got to do
Living is much too slow

The singing rain guard calls to me
Tells me how to fly
Angel slips between the trees
Reaches for the sky

Imagination spins me 'round
Wind begins to blow
Lots of things I got to do
I don't wanna go

Well, I don't wanna go
I don't wanna go

Lots of things I got to do
Living is much too slow

Morning rises slowly
And reaches in the sky
The angel from the forest
Just seemed to pass me by

[Incomprehensible]
Life began to show
There are lots of things I got to do
So I don't wanna go

Well, I don't wanna go
I don't wanna go
I got, baby, lots to do
Living is much too slow
