Dream wild in waves of confidence and heart  
Don't underestimate the power of your part  
Throw the rules away  
Trust your gut and make it  
On your own

Don't underestimate the glories of the road  
Because when you're on your own you've got it all  
Throw the rules away  
To stand and deliver now.  
All is yours

I don't want to sit back to slack and waste it all  
Since surrounded with the "Hearts and Souls"  
I'll get back on my feet, wash my hands clean  
And roll back to the front to sing out  
"Here we go!"  
Here we go, here we go, here we go...

Throw the rules away  
To stand and deliver now.  
All is yours

I don't want to sit back to slack and waste it all  
Since surrounded with the "Hearts and Souls"  
I'll get back on my feet, wash my hands clean  
And roll back to the front to sing out  
"Here we go!"
