Send
Me off
And give me
Magazine
Copies
Of open spaces
And open ends
Distant
Diverted from the medicine
And our own ends
That we're seeing
White white walls
And hospitals
All of us feel trivial
Relative
Tentative and waiting
For all those
White white walls
And hospitals
All of us feel trivial
Paper thin
Tentative and waiting
For just another day of no answers
And no
Promises in the night time
But in the meantime
Fucking hospitals and medicine
Stand towering and cold
And power
White white walls
And hospitals
All of us feel trivial
Relative
Tentative and waiting
For all those
White white walls
And hospitals
All of us feel trivial
Paper thin
Tentative and waiting
Paper thin
Tentative and waiting!

Send me out there!
To the tower now
Hospitals and
Their medicine
