Look what you're doin'  
Do you think I can't see  
Who are you foolin'  
Don't be so sure if you think it's me  
What am I gonna do with you  
If you think you've covered all of your clues  
You've got another thing comin' my dear

Where are you goin'  
It's always getting harder to hide  
Your eyes they are showin'  
A little more with every lie  
What am I gonna do with you  
If you think you've covered all of your clues  
You've got another thing comin' my dear

If you ever leave me  
I'll never be comin' back to you  
If you ever need me  
You'll never see me  
Runnin' back to you  
If you ever leave me  
I'll never be comin' back to you  
If you ever leave me  
You'll never see me  
Runnin' back to you  
If you leave, if you leave me  
You've got another thing comin' my dear

Look what you're doin'  
Do you think that I can't see  
Who are you foolin'  
Don't be so sure if you think it's me  
What am I gonna do with you  
If you think you've covered all of your clues  
You've got another thing comin' my dear  
My dear...

[BRIDGE]

If you ever leave me  
I'll never be comin' back to you

If you ever need me  
You'll never see me  
Runnin' back to you  
If you ever leave me  
I'll never be comin' back to you  
If you ever leave me  
You'll never see me  
Runnin' back to you  
If you ever leave me  
I'll never be comin' back to you  
If you ever need me  
You'll never see me  
Runnin' back to you  
If you leave, if you leave me  
You've got another thing comin' my dear

Look what you're doin', to me  
Look what you're doin', to me  
Look what you're doin', to me  
Look what you're doin', to me  
Look what you're doin', to me  
Look what you're doin', to me
