Well, I'm coming face to face with my conscience
Coming to an understanding of myself
Clear out all the old cobwebs
Clear out all the old books from the shelf

This song is inspired by a good man and his tune
Thinking good of others sing 'Amazing Grace' to you
It doesn't really matter if you're all jumbled up inside
As long as you know that love is endless and the world
is wide
As long as you know

Give it up
Share it out
Help, help who you can
Talk about it

It's late in the morning, close to the time
And Mary's in the alley she never stops smiling
Always love to see her she means a lot to me
But I know she's got a hard time trying to make ends
meet

Give it up
Share it out
Help who you can
Talk about it

Down Georgia Street arcade where the poor children
play
Gathering up charity to help them make their day
Well me, I was once their age, once I was young
But I know, I had my family to fall back on

Give it up
Share it out, yeah
Help who you can
Talk about it

Oh, give it up
Share it out
Help who you can

Don't just talk about it
Talk about it

Help these child
Help these child

Give it up
Share it out
Help who you can
Talk about it

Give it up
Share it out
Help who you can
Talk about it
