This song tells exactly how, when I was, while I was  
Sitting back on my deep pile reclining chair  
Thinking about my life and all the good things that  
happened  
Well it just came to mind to me that  
Yeah came to mind to me that

I ain't been treatin her too bad...too well too well

No I been pushin' her 'round  
And you know  
There comes a time in every mans life when he's got to  
Look over his misdemeanors, misgivings, misfortunes  
and  
Miss Whatever her name is ha ha

I'm sorry I'm sorry

Yeah and say you're sorry, so I say, I'm sorry  
'Cos I been telling you lies, standing on your face  
I been making you cry all over the place Lord  
I should have known (known) should've known better  
Well I could not phone (phone) but I could

I'm sorry

You know I'm crazy sorry sorry sorry baby  
I think it's time I realized get down on my knees  
And apologize

Oh Lord  
I didn't know when I hurt you  
I didn't know when you cried  
I didn't know when you screamed Lord  
I didn't know when you stopped to cry

I didn't know when you called  
I didn't know when you hurt  
I didn't know sweet Mama  
I didn't know I should  
I am

I'm sorry
