The rain's falling lightly  
On the buildings and the cars  
I've said goodbye to city friends  
Department stores and bars

The lights of town are at my back  
My heart is full of stars  
And I'm gonna be a country girl again

[CHORUS]

Oh, yes, I'm gonna be  
A country girl again  
With an old brown dog  
And a big front porch  
And rabbits in the pen  
I tell you, all the lights on Broadway  
Don't amount to an acre of green  
And I'm gonna be a country girl again

I spent some time in study, oh  
I've taken my degrees  
And memorized my formulae  
My A's and B's and C's

But what I know came long ago  
And not from such as these  
And I'm gonna be a country girl again

[Repeat CHORUS]

I've wandered in the hearts of men  
Looking for the sign  
That here I might learn happiness  
I might learn peace of mind

The one who taught my lesson  
Was the soft winds through the pines  
And I'm gonna be a country girl again

[Repeat CHORUS 2x]
