What am I doin' here. What is this all about.
Takin' me for a wrap and roundabout. You never let me
have my way with you. Come on strong, it didn't
take long. Everything I just works out wrong.

Works out wrong. Works out wrong.
Works out wrong. Works out wrong.

I'm going crazy with my love for you. And now you're
leaving me. I don't know what to do.
I'm going crazy, baby. Now you let me down.
Come on strong, but it don't last long.
Why in the hell is another woman like you.

Walkin' like you. Walkin' like you.
Walkin' like you. Walkin' like you.

I'm a loser. I'm a fool in love. I'm a loser. What was I
thinkin' of.

He's a loser. He's a fool in love.

I've tried to make a peace and laugh for you.
Then all you gave me is the heel of your shoe.
When all in all I'm just a fool in love. Come on strong,
but it didn't last long. Everything I do just turns out
wrong.

Turns out wrong. Turns out wrong.
Turns out wrong. Turns out wrong.
I'm a loser. I'm a fool in love.
He's a loser. He's a fool in love.
I'm a loser. I'm a fool in love.
He's a loser. He's a fool in love...
