music - D. MalejonekR. Sadowski
lyrics - D. Malejonek
We're the ones you send to prison
'cos we don't wanna fight
Killing is the job you only got for us
Question for the reason
Question for the right
We got to face the madness
The eyes are screaming wild
I know why you hate us
We know too much 'bout you
You try to bring us down
But you will hear the truth
What's the kind of madness
I see in your eyes
Something shakes your soul
But we just call it fright
