Roll your moneymaker, honey, you really can shake her  
Shake your moneymaker, honey, you're really alright  
Roll your moneymaker, yeah

I got a gal who lives up on the hill  
Well, I got a gal, she lives up on the hill  
Well, the fool tried to quit me but, man, I love her still

She rolled her moneymaker, oh, boy, she really can  
shake her  
Shake your moneymaker, honey, you're really alright  
Roll your moneymaker

Well, I'm leaving in the morning, I won't be here till fall  
Well, I'm leaving in the morning, I won't be here in the  
fall  
Well, my mind won't change, I won't be here at all

Roll your moneymaker, honey, you really can shake her  
Shake your moneymaker, baby, your really alright  
Roll your moneymaker

Well, I'm leaving in the morning, I won't be here till fall  
Well, I'm leaving in the morning, I won't be back till fall  
Well, my mind only chance, I won't be here at all

Roll your moneymaker, honey, you really can shake her  
Baby your really alright, yeah, your out of sight  
Roll your moneymaker
