Girl it felt
Like I had you in my arms
Well maybe I didn't
Maybe I'm just thinking about you

I guess it's cause
You're the first I've ever had
And I can't forget you now
Boy, I can't forget you

CHORUS
You're my first love
You're the only one I've ever loved
You're my first love
You're the only one I've ever loved

The first time that I saw you
You had a flower pinned in your hair
You had such a pretty face
And your smile it was always there

Well this was my first love
And maybe it was yours
It doesn't really matter now
Boy, I just wanted to let you know

CHORUS
You're my first love
You're the only one I've ever loved
You're my first love
You're the only one I've ever loved

BRIGDE
I'll never forget the first time I saw you,
You had the sweetest smile (the sweetest smile, only
you)
And all I can think of is
How I can make you my guy (make you mine, my first
love)

CHORUS

You're my first love (boy you have my heart)
You're the only one I've ever loved (to kiss to touch to
hold you close)
You're my first love (my first love)
You're the only one I've ever loved 2X
