It doesn't matter what I want
It doesn't matter what I need
It doesn't matter if I cry
Don't matter if I bleed.
You've been on a road
Don't know where it goes or where it leads.

It doesn't matter what I want
It doesn't matter what I need
If you've made up your mind to go
I won't beg you to stay.
You've been in a cage
Throw you to the wind, you fly away.

---Instrumental ---

It doesn't matter what I want
It doesn't matter what I need
It doesn't matter if I cry
Don't matter if I bleed.

Feel the sting of tears
Falling on this face you've loved for years...
