Life's a show and we all play a part

And when the music starts,

We open up our hearts

It's all right if some things come out wrong.

We'll sing a happy song

And you can sing along.

Where's there's life,

There's hope.

Everyday's

A gift.

Wishes can

Come true.

Whistle while

You work.

So hard

All day.

To be like other girls

To fit in in this glittering world.

Don't give me songs.

Don't give me songs.

Give me something to sing about.

I need something to sing about.

Life's a song

You don't get to rehearse.

And every single verse

Can make it that much worse.

Still my friends

Don't know why I ignore

The million things or more

I should be dancing for.

All the joy

Life sends.

Family

And friends.

All the twists

And bends

Knowing that

It ends.

Well that

Dependsâ€¦

On if they let you go,

On if they know enough to know

That when you bow

You leave the crowd.

There was no pain,

No fear, no doubt

Till they pulled me out
Of heaven.
So that's my refrain.
I live in hell
'Cause I've been expelled
From heaven.
I think I was in heaven.
So give me something to sing about.
Please give me something.
Life's not a song.
Life isn't bliss.
Life is just this.
It's living.
You'll get along.
The pain that you feel
Only can heal
By living.
You have to go on living.
So that one of us is living.
