You're not ready for the world outside  
You keep pretending but you just can't hide  
I know I said that I'd be standing by your side  
But I

Your path's unbeaten and it's all uphill  
And you can meet it but you never will  
And I'm the reason that you're standing still  
But I

I wish I could say the right words to lead you through  
this land  
Wish I could play the father and take you by the hand  
Wish I could stay here but now I understand

I'm standing in the way

The cries around you, you don't hear at all  
'Cause you know I'm here to take that call  
So you just lie there when you should be standing tall  
But I

I wish I could lay your arms down and let you rest at  
last  
Wish I could slay your demons but now that time has  
passed  
Wish I could stay here, your stalwart, standing fast  
But I'm standing in the way, I'm just standing in the way
