Buffy:

I touch the fire and it freezes me
I look into it and it's black
Why can't I feel? My skin should crack and peel
I want the fire back

Now through the smoke she calls to me
To make my way across the flames
To save the day, or maybe melt away
I guess it's all the same

So I will walk through the fire
'Cause where else can I turn?
And I will walk through the fire and let it...

Spike:

The torch I bear is scorching me
Buffy's laughing I've no doubt
I hope she fries! I'm free if that b**** dies!
I'd better help her out

Sweet:

'Cause she is drawn to the fire
Some people will never learn
Spike: She will never learn

Both:

And she will walk through the fire and let it...

Giles:

Will this do a thing to change her?
Am I leaving Dawn in danger?
Is my slayer too far gone to care?

Xander:

What if Buffy can't defeat it?

Anya:

Beady eyes is right we're needed!
Or we could just sit around and glare

All:

We'll see it through it's what we're always here to
do

So we will walk through the fire and let it burn...

Buffy:

So one by one they turn from me
I guess my friends can't face the cold
But why I froze, not one among them knows
And never can be told

Anya:

She came from the grave much graver

Spike:

First he'll kill her then I'll save her

Tara:

Everything is turning out so dark

Willow:

Walking through the...

Spike:

No, first I'll save her then I'll kill her!

Willow:

I think this line's mostly filler

Giles:

What's it gonna take to strike a spark?

All (inc. Buffy):

These endless days are finally ending in a blaze!

And we will walk through the fire and let it burn!

Let it burn!

Let it burn!

Let it burn!
