Why'd you run away?
Don't you like my style?
Why don't you come and play?
I guarantee a great big smile

I come from the imagination
And I'm here strictly by your invocation
So what do you say
Why don't we dance a while?

I'm the how to swing, I'm the twist and shout
When you gotta sing, when you gotta let it out
You call me and I come a-runnin?
I turn the music on, I bring the fun in
Now we're partyin?, that's what it's all about

?Cause I know what you feel, girl
I know just what you feel, girl

All these melodies, they go on too long
Then that energy starts to come on way too strong
All those hearts lay open that must sting
Plus some customers just start combusting

That's the penalty when life is but a song

You brought me down into this town
So when we blow this scene
Back, we will go to my kingdom below
And you will be my queen

?Cause I know what you feel, girl
No, you see, you and me wouldn't be very regal
I'll make it real, girl
What I mean, I'm fifteen
So this queen thing's illegal

I can bring whole cities to ruin
And still have time to get a soft-shoe in
Well, that's great but I'm late
And I'd hate to delay her

Something's cooking, I'm at the griddle
I bought Nero his very first fiddle
She'll get pissed if I'm missed
See my sister's the Slayer

Now we're partyin?
That's what it's all about
