Oh Shining one of vicious base  
Wicked beast of brethren blame  
Come great serpent of the paradise  
Lucifer the lord of lies  
Come at once with evil wrought  
Power of air to whom I sought  
Watch me bleed before the flame  
Tempter of unpure be thy name  
Stand before false angels light  
Risen from the depths of might  
Arch of dwelling ascent to fore  
And bring with it all darkling hordes

From the abyss please hear thy call  
Lord and master ruler of all  
God of age hear what I sing  
King of the darkness in everything

Oh Satan the adverse one  
Slanderer of favored son  
Oh great hero of hopeless ruin  
Bring your wickedness and doom

From the abyss hear thy call  
Lord and master ruler of all  
God of Age hear that I sing  
King of the dark in everything  
... king of the dark in everything

Light the candles in thirteen  
At each side than in between  
In the circle here I stand  
Naked in wait in the pentagram  
With sacred blade self mutilate  
To my own wounds I masturbate  
In a sweat and semen soaked  
Surrounded haze of incense smoke  
An offering whose bowels be let  
It's carcass placed on chantry set  
In spoken tongues the songs I sing  
Along with these solemn bells to ring  
... king of the dark in everything
